

Easy Cake Mix Cookies

- One Box French Vanilla Cake Mix
- 1/2 cup butter, melted
- 1 egg, beaten
- 1 teaspoon rum or almond extract (I use 1/2 teaspoon vanilla)
- 1 cup white chocolate chips
- 1 teaspoon of each color sprinkles you choose

Melt butter in a microwave safe bowl. Stir in cake mix. Stir in beaten egg and extract. Add chocolate chips and sprinkles and stir.

Spoon and roll cookie dough into small balls, place on cookie sheet and gently press to slightly flatten. Bake in a preheated 350-degree oven for 8-10 minutes. Remove from oven and let finish cooking on cookie sheet for 5-7 more minutes.

Try not to eat them all in one sitting. Store in a tightly covered container.
