

2-Ingredient Pineapple Angel Food Cake

- 1 box Angel Food Cake, just add water kind
- 1 20-ounce can crushed pineapples in own juice

Preheat oven to 350°.

Stir cake mix and pineapples until well incorporated. Pour into your pan of choice and bake until top is a deep brown and not sticky. If using a 13x9 pan, bake for 47 minutes.

If using a tube pan, immediately turn pan upside down onto a glass bottle to cool. If using two loaf pans, lay them on their sides on a wire rack to cool. If using a 13x9 pan, place directly on wire rack to cool completely.

Tightly cover any leftovers.
